

Competitor Bulletin #1

2017 Approved Tires

The following tires are required for use in the US Touring Car Championship for all timed on track sessions.

Dry tires for Touring Car class:

Hankook F200 C52 tires are the only approved tires for USTCC competition. Cars with a declared weight of less than 3000 pounds have a maximum tire width of 240 mm. Cars with a declared weight of 3000+ have a maximum tire width of 260 mm.

Dry tires for Sportsman class:

Hankook F200 C52 tires are the only approved tires for USTCC competition. Maximum width is 240 mm.

Dry tires for Super Touring class:

Hankook F200 C52 tires are the only approved tires for USTCC competition. See Appendix C, rule 4 for maximum widths.

Dry and wet tires for GT class:

There is no spec tire required for the GT class however, Hankook F200 and ZZ06 tires are allowed and the USTCC discount price will apply to those who choose to take advantage of the opportunity.

Rain Tires for SP, TC, and ST classes:

In the event that a session is declared a Wet Session by a Race Director, the following tires must be used in SP, TC and ST class cars:

Hankook Ventus ZZ06 rain tire OR the standard dry tires may be used.
